

Birth to Five  
**READ AND THRIVE**

# NSW is facing a crisis in early childhood literacy.

**With your help, we can rewrite this story together.**

Too many children in New South Wales are missing out on vital early literacy learning. To address this crisis, we're calling on the government to deliver an early childhood literacy program through our public libraries. Head to our website to join the campaign [www.readandthrive.com.au](http://www.readandthrive.com.au).
